Stuart S. Miles, Ph.D.
Vice President
Louisville, KY
502-777-5042
smiles@decisionquest.com

Dr. Miles has spent the last twenty-three year's consulting on over 600 cases in 24 States as a social scientist. With his specialized knowledge in personality and social psychology, he consults with trial teams on various social, cognitive, and technical issues related to trial preparation and case strategy. He has been actively involved in conducting jury deliberation groups, trial simulations, jury selection, witness preparation, and post-trial interviews for clients as well as assisting clients before the trial and appearing in court to assist with computer-based multimedia presentations.

Dr. Miles conducts both qualitative and quantitative research for clients. He has consulted on cases involving everything from capital murder to products liability including but not limited to perjury, bad faith, medical malpractice, aviation, fraud, pharmaceutical, patent, employment, toxic tort, class actions and wrongful termination.
